Ebony tha GODDESS is a nationally renowned, sensational Spoken Word Artist, Author, Singer, Plus Size Model, and Podcaster. She uses a pen and pad to expose her heart, spreading "tha GODDESS" experience to the world while leaving others in awe of her transparency. She was born and raised in Moss Point, MS and carries the essence of the city's rich heritage with her as "The Moon of Moss Point". She's a member of Black On Black Rhyme's Step2DaMic Poetry Troupe and THE 20/20 Network, LLC, both of Mobile, AL, just to name a few.

Ebony's album entitled *Ebony Speaks* is a collection of work written after witnessing the GODDESS energy of the late Lady Tess. Her book, *Worth the Weight*, serves as a horcrux, acknowledging the darkness of her past while enjoying the journey into a bright future. This woman warrior's work and worth weaves a path of poetry and purpose extending worldwide.
